★ **Those who write a "THESIS" and currently stay in Korea have to present their research work for the THESIS DEFENSE which will be held during June 12 – 16. (Exact date and time will be announced.)**

The Thesis Committee Professors including your advisor will attend this evaluation. So please prepare for the Thesis Defense.

- When you apply for the presentation in the URP system,
Students who write a thesis: click the "**Degree Thesis application**" menu
Students who write a report: click the "**Diploma Report application**" menu
- Please be aware that your title (both in Korean and English) will be automatically printed on the application form based on your 2nd draft. Please carefully review your Korea and English titles once again. (If you intend to change your title compared to the 2nd draft, please submit the 'Application for the change of thesis/report' form with your advisor's permission.)
- Students who are going to apply for the evaluation are required to obtain their advisor's signature on both the application form for the presentation and declaration of ethical conduct in research form. (You can either directly obtain your advisor's signature or get permission from your advisor to use the stamp available at the PSPS office.)
